

City of Lafayette 1900-2025

Celebrating 125 years!

Lafayette's Quasquicentennial (125th) Celebration needs you; we need everyone!

We are looking for partners to give support; by putting forth a celebration to honor the history of our town, to celebrate the present and look forward to the future.

A celebration does not come without a price. The city cannot fund this celebration so it is up to us, the residents, businesses and area friends, to help with this milestone. Costs may include, but not limited to, booking events, advertising, and costs to update the history book, etc.

Your help is needed because we want our community to achieve this milestone celebration with great success; for future generations to look back and enjoy the history we are making together as a great community!

Thank you for your partnership with us to create a truly historical celebration!! If any funds remain after all expenses, it will be designated to a community project after the celebration.

The Quasquicentennial Committee

Please give what you can: \$25 _____

\$50 _____

\$100 _____

Other \$ _____

Checks Payable to: **Lafayette 2025 Celebration**
