

Guidelines for
Lafayette's **2025 Residential**
Citywide Cleanup Days
Saturdays, May 11 & October 18

General Information: Items need to be out to the curb on these two Saturdays by **7 am**! Renville Sibley Sanitation will only have a few hours to get everything to the DUMP before it closes at noon! This clean-up is for Lafayette Residents only and should be limited to about a pickup truck full or less. Many residents put items out on Friday night as *"one man's junk is another man's treasure!"*

Will Take:

Extra house hold items that may include, but not limited to:

Toilets, furniture, lamps, fans, coffeemakers, etc.

Lawn mowers – *Only if oil and gas is drained!*

Carpet - *If cut to 4 to 6 foot or smaller sections, rolled and tied.*

Loose piles of small garbage, trash, plaster or construction debris must be bagged up, or in containers not weighing more than 70 pounds - use judgement... if it is too heavy for a bag, put it in a container! ***If you have many loose items, you may utilize your Garbage and Recycling carts to help the workers load the trucks.***

Humidifiers (Not Dehumidifiers)

Water softener brine tanks

Mattresses and Box springs

Will NOT Take!

No TIRES – Check out the reverse side for Tri-county collection times

No appliances! ***Check out our June 21 collection on the back side!***

No Oils

No Chemicals

No Microwaves, TV, Air Conditioners, dehumidifiers - these are all appliances. ***Check out our June 21 collection on the back side!***

No Concrete, Bricks, etc.

Citywide Cleanup Day is part of our garbage service. **If there is an item that they are unable to take due to the size, weight or type of item, it will be left.**

****If you will have a huge amount of construction waste, and/or more than a pickup truck full, you may want to look at ordering a roll off cart for your project. Contact RS Sanitation directly at 507-834-6168**
